#### CALL FOR ABSTRACTS

The goal of the Southeast Regional Clinical & Translational Science Conference is to bring together cross-disciplinary researchers from across the southeast region to present the best new health-related preclinical, clinical, implementation, and population-based research and build collaborative relationships.

Researchers working across the southeast are invited to submit an abstract.

#### Conference Registration

*Registration is \$75 per person (\$35 for trainees).  
Fee includes attendance at scientific sessions and  
all breaks and meals.*

Please use the online

#### Abstract Submission Form

#### **ABSTRACT SUBMISSION DEADLINE: November 8, 2021**

After the submission deadline, all completed and eligible abstracts will be made available to the conference abstract reviewers for scoring. Final decisions will be made by the conference planning committee in January. You will learn in January if your abstract has been accepted and if you were chosen for an oral or poster presentation.
